

Parents,

As we approach the beginning of another school year, I would like to pass some information along to you regarding traffic.

1. Please use the Norway entrance ONLY.
2. Parent drop off will be ANYWHERE along the striped line on the Norway side of the building leading to the back parking lot.
3. Please pull to the furthest point to allow your child to exit the vehicle. This will hopefully help with the traffic situation.
4. School will start promptly at 7:30 a.m. For safety concerns, we will be locking the side doors at 7:33. From that point, students will have to enter through the main entrance located at the front of the building.
5. Please do not ask your child to cross Norway to enter Campbell Drive.
6. Remember, it is MUCH safer and more convenient for you to have your child to ride the bus.
7. If you intend to have anyone other than you pick up your child, that person MUST be on the emergency contact list.
8. Please be patient in the evenings during inclement weather as we will be coming to your vehicle and calling for your child via radio to meet you.
9. Gates will be installed on the Norway and Rt. 60 entrances. They will be locked during non-school hours. The Rt. 60 gate will be locked after all busses have completed their a.m. schedule.
